The following ten basic declarations are foundational to the building of your faith. They will increase your expectancy of God's goodness towards you and your life and

will thus increase the manifestation of that goodness in your life. The scriptural references that the declarations are drawn from are examples. They are not exhaustive. We won't have something just because we say something, but saying something, is necessary to having it. If you don't understand fully why declarations are important consider speaking them by faith every day for a month and see what happens in your life (Romans 4:17; Romans 10:9-10)!
